

NAMI Basics

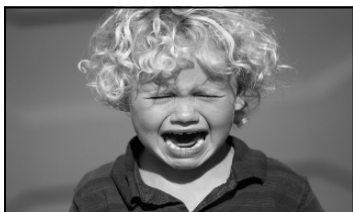

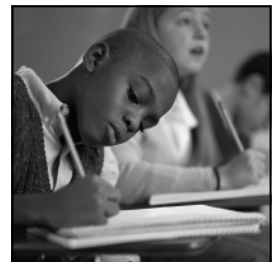

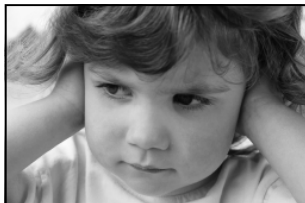

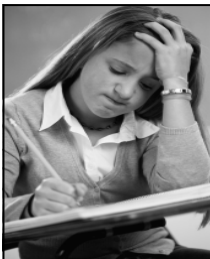

The fundamentals of caring for you,
your family, and your child with mental illness

Free education course offered for Parents/caregivers of children and adolescents with mental health issues. Classes include:

- *The trauma of mental illness for the child and family*
- *The biology of mental illness: getting an accurate diagnosis*
- *The latest research on the medical aspects of the illness and advances of treatment.*
- *An overview of treatment options—treatment works*
- *The impact of a child's mental illness on the rest of the family—caregivers and siblings*
- *An overview of the systems involved in caring for the children and teens*

Course consist of 6 classes that meet weekly starting February 19th at Rocky Mountain Development Council. Contact person: Pamela 443-3113

Hosted By Helena Area Kids Management Authority (KMA)
